11. **Morton** - Oliver P. Morton, Gov. of Indiana and prominent anti-slavery advocate

In my research: The name Morton was shortened down from "Throckmorton".

This very significant because the original name means "the piece of timber on which the plough is attached." So it's called the "share - beam" on the plow.

Prayer Pt. 1 - This is a "plowing" county for good, for grace and for righteousness.

I Corinthians 9: 9/10 - ⁹ For it is written in the Law of Moses,

"YOU SHALL NOT MUZZLE THE OX WHILE HE IS THRESHING."

Yes, for our sake it was written, because the plowman ought to **plow in hope**, and the thresher *to thresh in hope* of sharing *the crops*.

A new heart and mind equilibrium is coming to Morton (Throckmorton) county. It is from You, Lord, and it is for Your glory. The plowmen are receiving a new measure of hope. And this hope will spill over into the surrounding counties, and into two other states. Morton county, as the bottom SW county in Kansas, will be touching Oklahoma and Colorado. Yes, Lord. learn from Me, for I am gentle and humble in heart, and

YOU WILL FIND REST FOR YOUR SOULS.

³⁰ "For My yoke is easy and My burden is light."

This is how we pray then for Morton county. Matthew 11 . . . Morton county is coming to You, Lord. In place of working to exhaustion there is the "power rest" You offer every man.

The plowing county will say collectively, "Jesus' yoke is so easy, and now our burden is lighten because of His grace and mercy." [3,169 pop.]
